

K-POP AND KOREA CULTURAL SUMMER CAMP

K-POP DANCE CLASS

The K-POP Dance class offers enthusiasts a chance to learn the latest dance moves from popular K-POP music videos, providing a dynamic and fun way to immerse in the energetic world of Korean pop culture.

Additionally, the class will begin with stretching, and an instructor currently working at a major entertainment agency will also participate in teaching the dance lessons.

DANCE/LANGUAGE/CULTURAL ACTIVITIES

GROUP PROJECT

The Super Speed Korean class is a course designed to help foreigners visiting Korea quickly and effectively learn the basics of the Korean language in an enjoyable way. It is primarily focused on conversational skills, and the knowledge acquired can be applied and used during their stay in Korea.

GROUP PROJECT & PRESENTATION

The group project during the camp involves participants forming teams around a theme, researching that theme, sharing team members' opinions, and culminating their efforts into a single presentation. This project is designed to facilitate team cohesion, encourage the exchange of diverse perspectives, and provide a valuable experience for participants throughout the duration of the camp.

CULTURAL ACTIVITIES / PROGRAMS

The cultural experience program is designed to allow participants to explore both traditional and modern Korean culture. Traditional activities include Hanji crafts (utilizing traditional Korean paper) and calligraphy, while modern cultural experiences include Korean cooking classes and various aspects of the Hallyu wave. (Taekwondo (Korean martial art), Amusement park, K-culture center, etc).

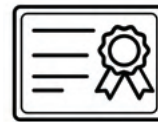

INTRODUCTION

Kpop and Korean Cultural Summer Camp offers participants a comprehensive experience that combines Korean language instruction, cultural education, and immersive excursions to famous tourist attractions, as well as K-Pop dance classes taught by industry professionals.

The program is designed to allow participants to appropriately experience both traditional and modern aspects of Korea. Over the course of two weeks, participants will have the opportunity to see everything Korea has to offer, and we are confident it will be a beneficial experience for them.
